

Welcome to the CNE !

Following your affiliation request, we wanted to warmly thank you for your trust and welcome you in the CNE. With close to 170.000 members, the CNE is the biggest trade union in Wallonia and in Brussels. We are defending the French-speaking employees and cadres in the commercial, service to people, financial, corporate services and industry field, as well as the workers of the non-commercial sector.

The CNE is part of the CSC, the main union confederation in Belgium : more than 1,7 million of members are trusting us and are taking part for their own security, and for a fairer world.

What can you expect from us ? Along with its collective fight for better living conditions in companies and in the society, the CNE makes it a point of honor to offer a quality service to its members.
